The Postgraduate Institute of Science (PGIS) is a premier institute of higher learning in Sri Lanka. Established in 1996, the PGIS offers Ph.D., M.Phil., M.Sc. degree programmes, and diploma programmes covering over 20 fields of science.

Located centrally in the premises of the University of Peradeniya, the PGIS offers exciting opportunities for students to pursue higher studies, and provides impetus to the enhancement of scientific research.

ICMME 2025 is a unique event where mathematicians and mathematics educators in Sri Lanka and around the world meet to discuss their research experience, share their knowledge, and collaborate.

Organized by the PGIS for the fourth time, the ICMME 2025 will take place on the 4<sup>th</sup> and 5<sup>th</sup> of July, 2025.

## International Conference on Mathematics and Mathematics Education 2025

Postgraduate Institute of Science (PGIS)  
University of Peradeniya  
Sri Lanka

The Postgraduate Institute of Science is proud to present the fourth International Conference on Mathematics and Mathematics Education **ICMME 2025**

The conference is an ideal platform for mathematicians and mathematics educators to share their findings and to open avenues for innovation and collaboration.

Authors are invited to submit their original work to be presented at ICMME 2025 through the official website:  
<http://www.pgis.lk/icmme2025>

Submissions will be subjected to blind review. ICMME 2025 is a hybrid conference. Local authors must present their work at the PGIS, and international authors may present online.

## Registration Fees

### Early Bird Registration

Students	LKR 1500
Other local participants	LKR 2000
International students (SAARC)	USD 25
International students (non SAARC)	USD 40
Other international participants	USD 50

### Regular Registration

Students	LKR 2000
Other local participants	LKR 2500
International students (SAARC)	USD 35
International students (non SAARC)	USD 50
Other international participants	USD 75

Authors should submit abstracts via the Microsoft CMT submission system.

Complete submissions should include:

1. A duly filled submission form
2. Blind abstract (not including author names)
3. Blind extended abstract
4. Author declaration form
5. Author checklist

Details of ALL AUTHORS must be added to the "Authors" section of the submission page, and the corresponding author should be indicated.

The Editorial Board reserves the right to change the Theme of the abstract identified by the authors to a more relevant Theme, if necessary. Results presented or published elsewhere will not be considered.

## Abstract Guidelines

The abstract should summarize the methods, results, and conclusions of the study. If accepted, abstracts will be published in the 'Proceedings of the International Conference in Mathematics and Mathematics Education 2025'.

**Format:** Abstracts should be limited to one A4 sized page, with a left margin of 3.0 cm, and all other margins kept at 2.5 cm. The font 'Times New Roman' of size 12 should be used with single line spacing. All abstracts must be written and submitted in English, using Microsoft Word (2007 or later).

**Title:** Title should be brief and should reflect the study carried out. The letters should be bold uppercase and center aligned. Scientific names in the title should be written in uppercase italics.

For more detailed guidelines on formatting visit [www.pgis.lk/icmme2025](http://www.pgis.lk/icmme2025)

Inclusion of an extended abstract is mandatory for reviewing. Formatting of the extended abstract should be similar to that of the abstract, giving priority to the results and discussion, within 2-3 pages. Figures and tables should be clearly presented and be included within the stipulated page limits.

The extended abstract should be organized under the following subtopics:

1. Title
2. Introduction (with objectives)
3. Materials and Methods
4. Results
5. Discussion
6. Conclusion/s (with outcomes)
7. References

## Camera-ready Submission

Once accepted, abstracts, together with reviewer comments, will be made available to authors. Final camera-ready submission is required, which should include suggested changes to the abstract.

Further details on the format of camera-ready submissions will be notified to authors of accepted papers.

Please note that accepted abstracts must be presented by one of the authors. Authors are expected to inform the Editorial Board or take necessary action if they are unavailable to make the presentation.

If an accepted abstract is not presented, the authors will not be allowed to submit abstracts for three ICMME conferences.
